Entertainment In A New Light™

Commitment

At Genext, we're committed to giving you more choice and control over what you and your family watch on TV.

From the widest programming choices to the best education on how to make smart decisions about children's use of media, we provide parents and caregivers with a powerful range of tools to manage the content that comes into their homes.

Digital Customers

Each of our digital set-top boxes comes equipped with Parental Control features that enable you to easily block entire channels or specific programs based on time of day, channel and rating.

To learn how to activate these features, please visit our website for an interactive tutorial. Or Choose "Settings" on your remote control and follow the guide.

Non-Digital Customers

If you are not a Digital Cable customer (i.e., either you don't have a set-top box or are unsure of your level of service), our trained service professionals can help you find the best way to set up parental controls in your home.

Family Friendly

Cable offers a wide range of TV programs for all kinds of audiences, including many channels that serve children and families 24/7. These provide good TV for children as well as programs for families to watch together.

Browse a list of family-friendly cable programs by visiting our website www.genext.tv and clicking on "Parental Controls".

TV Rating System

TV Parental Guidelines is a voluntary rating system designed to give parents information about the content of TV programs.

This system provides parents with information about the content and age-appropriateness of TV programs. For more details, view a full description of these guidelines.

For your convenience we have listed the TV Rating System symbols and descriptions on the back.

TV Rating System

All Children

This program is designed to be appropriate for all children. Whether animated or live-action, the themes and elements in this program are specifically designed for a very young audience, including children from ages 2 - 6. This program is not expected to frighten younger children.

Directed to Older Children

This program is designed for children age 7 and above. It may be more appropriate for children who have acquired the developmental skills needed to distinguish between make-believe and reality. Themes and elements in this program may include mild fantasy violence or comedic violence, or may frighten children under the age of 7. Therefore, parents may wish to consider the suitability of this program for their very young children.

Directed to Older Children - Fantasy Violence

For those programs where fantasy violence may be more intense or more combative than other programs in this category, such programs will be designated TV-Y7-FV.

General Audience

Most parents would find this program suitable for all ages. Although this rating does not signify a program designed specifically for children, most parents may let younger children watch this program unattended. It contains little or no violence, no strong language and little or no sexual dialogue or situations.

Parental Guidance Suggested

This program contains material that parents may find unsuitable for younger children. Many parents may want to watch it with their younger children. The theme itself may call for parental guidance and/or the program contains one or more of the following: moderate violence (V), some sexual situations (S), infrequent coarse language (L), or some suggestive dialogue (D).

Parents Strongly Cautioned

This program contains some material that many parents would find unsuitable for children under 14 years of age. Parents are strongly urged to exercise greater care in monitoring this program and are cautioned against letting children under the age of 14 watch unattended. This program contains one or more of the following: intense violence (V), intense sexual situations (S), strong coarse language (L), or intensely suggestive dialogue (D).

Mature Audience Only

This program is specifically designed to be viewed by adults and therefore may be unsuitable for children under 17. This program contains one or more of the following: graphic violence (V), explicit sexual activity (S), or crude indecent language (L).
