Genext is a WA State 06 Electrical Contractor; Bonded and Insured, License #: GENEXL*962M3. All prices plus tax and permit if applicable. Subject to change. "Simple Installation" is determined at Genext's sole discretion; generally it means that custom "wall-fishes" or challenging structures do not apply. "Simple Outlet" price is based on 45 minutes maximum and includes standard pass-thru or surface mount equipment and cable. This pricing is illustrative. Refer to Service/Work Order and Agreements for Terms & Conditions. "Minutes Free" is one time. "Value Added" and "Custom HDTV & Audio" Services MUST BE SCHEDULED in advance. Visit our website or give us a call for more information.

Bottom line, we have skilled electricians and technicians who will do a good job at a fair price. If you prefer custom installation and explicit attention to detail, we'd be happy to dispatch specialists for onsite consultation, installation, programming and service at prevailing rates.
